Herb Shattuck of 1434 W. 216th St., with his family, is attending a special training activity at the Volunteer Training Center, Philmont Scout Ranch, Cimarron, New Mexico. He is accompanied by his wife, Virginia and children Kenny and Johnny.

He is taking part in a conference on leadership training which is being directed by a member of the national staff of the Boy Scouts of America. This conference is a feature of the national volunteer leadership training program of the Boy Scouts of America, according to Arnold B. Sorenson, Scout executive of the Los Angeles Council.

Explorers and leaders on the hike were Sheldon Black, Bill Buell, Rick D'Alora, Jerry Doyle, Ed Landwehr, Bill Osborn, Dave Turcott, R. F. Jones, Pete Muller, Stan Shaw, George Spindler, and Leonard Weeks.

Explorer Post 728 X EXPLORER POST E28X ... 12 Twelve members of Explorer Post 728X spent a day with the Navy aboard the U.S.S. Rochester (CA-124) which included a cruise to Catalina Island recently.

Welcomed aboard at Terminal Island by Captain Robert E. M. Ward, the Explorers toured the ship. Later they were shown how to scrub the teakwood decks and did some scrubbing themselves.

After luncheon aboard ship the "man-overboard rescue drill" using the dummy "Oscar" was conducted near Catalina.

Movies on water survival and ship refueling were shown, followed by a demonstration of Navy firefighting equipment, marine guns and radios.

After pictures of Eagle scouts standing alongside high-ranking Navy Officer personnel was given a certificate making net were taken, each Explorer him an Honorary Rochester Sailor.

Accompanying Advisor Herman Boodman were: Randy Blair, Donny Christensen, David Cooper, Larry Hendrickson, J. J. Henry, Larry Reintma, Bob Murphy, Ken Neal, Bill Saine, Tom Patrick, Mike Carter and Dennis Albright. The Post is sponsored by Fern-Greenwood P.T.A.

SHATTUCK, who serves in the local council as training chairman, is enrolled in the training conference for leadership training which runs from Aug. 19-26. In addition to learning the newest methods of operating the Scouting program, the 2,000 Scout leaders who take part in the training conferences each year observe the high adventure camping area in the historic Kit Carson country.

Philmont Scout Ranch, located in the mountains of Northeast New Mexico on the old Santa Fe Trail, was given to the Boy Scouts of America in 1939 by Waite Phillips, pioneer Oklahoma oil man. He recognized the contribution his property could make in the developing of self-reliance, physical stamina, and good moral character in youth through the Boy Scouts of America.

VISITORS to Philmont can see a normal ranching operation, specializing in hereford cattle, employing modern conservation practices, including timbering and farming. There is a string of 300 horses, 200 burros, and there are herds of buffalo and antelope maintained. Countless deer and wildlife abound.

The Los Angeles Area Council, with headquarters at 2333 Scout Way, L.A. and of which this district is a part, expects to send more volunteer leaders to Philmont next summer for leadership training and family vacations.

Explorers Larry Hendrickson, Larry Reintma and Dennis Albright of Post 728X completed the Camp Pendleton Marine Corps ten-day "Devil Pups - Citizenship Course" this week.

The rigorous August 3-12 activity included early morning calisthenics, physical endurance tests, hiking, athletic competition, swimming, bivouacs, various equipment demonstrations, along with good food, movies every evening and a minimum of sleep.

Brownie Troop 2461 Summer activities for the Brownie Scout Troop 2461 have kept both leaders and members very busy during the vacation time. The girls have taken trips, roller skating parties, a picnic at Lomita Park and a tour through Adohr Dairy farms in Los Angeles.

Paper drives are now scheduled for money to make a special trip on Sept. 20.

The troop is sponsored by the Women of the Moose, chapter 44, Torrance.
